

## **Seahorse Club Song**

**Oh We're from Seahorse Land  
We stand together we're from Seahorse Land  
On any wicket when the bowlers bend their back  
The batters have a whack  
We have no fear  
We come in here and then we peel it back  
Cos we're from Seahorse Land  
We keep on fighting till the final wicket falls  
we're big and we're strong  
We're singing our songs Cos we're from Seahorse.....  
*Yellow and Black*  
Cos we're from Seahorse.....  
*Peeling it back***

**We are from Seahorse land**
