

GLENELG DISTRICT CRICKET CLUB

JUNIOR TRIALS & SELECTION CRITERIA: 2024-25 SEASON

The GDCC seeks to develop talented junior players to contribute to the long-term success of the club and beyond to the elite level. We take pride in our custodianship of the 'Spirit-of-Cricket' and playing 'The Glenelg Way'. We are a Premier Cricket Club committed to the development and promotion of cricket within the City of Holdfast Bay and our South Australian Cricket Association (SACA) nominated country areas (Mt Gambier – Chappell-Whitty Academy).

We recommend and encourage all our players to maintain their links to their community clubs and to play and train with them wherever possible.

We achieve success through providing:

- Encouragement of our players to love the game, not just winning
- Excellent facilities
- A strong club ethic
- Qualified, creative, enlightened and accredited coaches
- An engaged parental/support network
- Proactive and progressive management
- Engagement with the wider communities

Cricket Australia accredited coaches are involved in assessing all players who trialled, using a formal assessment process to make the final selections.

The decisions of the Selection Panel are final. No additional players will be added to squads unless there are extraordinary circumstances, such as a player withdraws or if a player suffers a long-term/season-ending injury. Any player (or parent) seeking feedback on the selection process are reminded such discussions need to be conducted with dignity, courtesy and respect for the coaches, other players and the club, in line with the signed Code of Conduct.

We encourage all players to continue playing with their community club. Maintaining contact with your Community Clubs will also give you the opportunity to keep playing when selections are tight at GDCC, which can happen from time to time. You may need to discuss your potential workload with your Community Club and also take into consideration extra game time for schools and other competitions.

Junior Academy

The Junior Academy comprises male players under 12-years-old and female players under 15-years-old and is an integral entry point to our junior sides. This squad will compete in several formal trial matches and will train together throughout the season. If the opportunity presents, some of the older players will play up in the U13 team when movement into those groups dictates.

Chappell-Whitty Academy

All SACA Premier Cricket Clubs have an affiliation with country cricket associations throughout the State. In conjunction with the Mt. Gambier Cricket Association (MGCA), the GDCC has developed the Chappell-Whitty Academy. Talented players from clubs in the MGCA zone train together with coaches selected by the GDCC to improve the skills of local players, who then represent their respective clubs. Based on team balance, we may select a player who will be given the chance to travel to Adelaide, to compete with any one of our teams, in any of the competition formats.

There is separate information around the selection trials provided for the Chappell-Whitty Academy which can be found on our website or by contacting the Junior Coordinator gdccjuniors@gmail.com.
