2023/2024

MISSION STATEMENT

“The Glenelg District Cricket Club is a community based sporting organisation committed to the development and promotion of cricket at the elite level within the City of Holdfast Bay and our SACA nominated country areas.”

OUR VISION

To be the most professional and successful cricket club in South Australia.

OUR GOALS

1. To participate in all finals series in all Senior Grades of the SACA competition every year, with particular emphasis on 1st Grade, and have all Junior Grades participate at the highest level of their competition.
2. To identify and develop cricketers capable of competing successfully at Grade, State and Test levels.
3. To provide the best playing conditions for our teams, at all venues used by GDCC, with particular reference to oval surfaces, centre wicket squares and practice areas.
4. To provide Clubrooms and player change rooms at a standard comparable to the best in the SACA competition.

PRESIDENT'S REPORT

SEASON 2023/2024

Season 2023/24 was a year of disruption in some ways, with the introduction of the two-division system in Men's First Grade, plus the fact all teams had to train away from our home base, Stratarama Oval, due to the upgrading of our net facilities. The latter was tough on everyone with the extra travel commitments on training nights, lugging gear around to West Beach and Pulteney, separation of groups causing slight issues with communication at times, and it cost the club significantly financially, having to hire other practice facilities. I would like to commend all players, coaches and parents for their patience and resilience over the season as it was out of the norm and a credit to everyone how the club performed, despite some of the difficulties.

The good news coming into the 2024/25 season is we have brand new training facilities with better drainage, extra turf and hard wickets and an expected high-quality surface. A big thank you to the City of Holdfast Bay, in particular, for our new training facilities and helping out financially with some of the costs of hiring the West Beach facility, and I'm sure we all can't wait to get back to Glenelg and get that full club atmosphere and togetherness back.

Despite the difficulties, the club had a successful year across all areas in men's, women's and juniors, but was so close to being a wonderfully successful year! Our First Grade Men had an outstanding year making all three format Grand Finals (T20, One-day and Two-day) but unfortunately not quite getting over the line in each of them. They were the dominant team all year finishing clearly top in the red ball competition as well, so I'm sure the hurt of not

quite reaching the top of the peak this season will drive this talented group to success in the near future.

We won our first Women's Premiership, so a big congratulations to the Second Grade Women's team and both Under 16 boy's teams (Red & White) who also won premierships. There were many individual highlights which are covered in this report, but I'd like to highlight a few. The Men's First Grade Captain, Jake Winter, finally got a crack at the next level playing for the Redbacks in One-day cricket, Eleanor Larosa winning the Shelley Nitschke Medal (T20 Player of the Year) and who has come through the ranks as a junior, Conor McInerney joining the club this season and making his way back into the Redback's Sheffield Sheild Team plus several players making the Team's of the Year in First Grade (Men's: Conor McInerney and Will Bowering (also runner up in the Bradman Medal) plus Women's : Eleanor Larosa and Lucy Bowering).

We introduced a Volunteer's Day towards the end of the season as a big thank you to all our volunteers across all aspects of the club who put in hours and hours of their time to make this great club what it is. You all do amazing work, are very much appreciated and I only heard positive comments, so this is something we will definitely continue in the future.

We welcomed two new Honorary Life Members this year, in current Fielding Coach and two-time Talbot Smith Medallist Matthew Heffernan plus Women's Senior Coach and also former player Graham Sedunary. Congratulations to both Matthew and Graham who are very deserving recipients and have spent many years contributing

across several areas of the club.

A big thank you to Sam McNally, Graham Sedunary and Kym Williams and all their assistant coaches for your efforts throughout the year as well as the scorers, team managers and other volunteers that help out on a weekly basis.

Special thanks to Paul Angley who has been our secretary over the last 6 years and worked tirelessly behind the scenes keeping the club running like clockwork and will be sorely missed in that role, but I hope to see him around the place in another capacity. Paul's calmness, different perspectives and level head have been highly appreciated in several challenging situations.

Thanks to the rest of our board of management, sponsorship and fundraising team and all the other sub-committees for their work throughout the year. Thanks to major sponsors Fotobase, Gliderol and all other club and player sponsors for your continued support.

The club continues to be strong on and off the field, but we want to continue to evolve and recently had a Strategy Day, with key personnel discussing, debating and reflecting on many key aspects of the club. There were some really good ideas brought up and we hope to introduce some of those initiatives for the coming season.

Congratulations on all the great team and individual performances for season 2023/24 and we look forward to training back at home this coming season, getting back that whole club atmosphere and striving for continued success!

- Jarret Moyses
GDC President

SECRETARY'S REPORT

SEASON 2023/2024

How is success measured? The 23/24 season saw the club record 3 premierships - Women's 2nd Grade in the one-day competition and both the U16 Reds and U16 Whites in the junior grades. In addition, the 1st grade men played in 3 grand finals across the 3 formats – 2 day, 1 day and T20 and the women's 1st grade played in the T20 grand final. The men's 2nd and 3rd grades also made semifinals. In the previous season we had 6 teams play in grand finals, this year it was 7. The women's 2nd grade team showed the strength and determination of the club, entering the grand final as significant underdogs, but just working together and every member doing their part to cap off a great win.

The club had several players selected for representative teams or receive SACA rewards as detailed elsewhere in this Annual Report. Jake Winter and Eleanor Larosa both made their State Cricket debuts having commenced at Glenelg as juniors – the club is extremely proud of their achievements.

Sam McNally was the men's coach and continued the development of players and got to 3 grand finals, this is significant and shows the growth under his leadership in the last 2 years. Sam was ably supported by Craig Douglass, Nathan Schollar, Peter Gladigau, Matthew Heffernan, Tom Plant and Tim Fernandez.

Graham Sedunary led the women's coaching group supported by Jason Gentle and PJ Scott. The incredible success that Graham has achieved with the players over the last few years continued, and whilst it was not the premiership he had his eyes set on, the women's 2nd grade premiership was a fitting reward and brought a significant smile to his face. Next year it is the next level premiership?

The City of Holdfast Bay Council once again supported the club with the redevelopment of the training facilities and whilst this caused a major inconvenience for training in 23/24, we should see the benefit for several years to come. The dedicated maintenance and facilities team undertook several projects in 23/24 just to name a few – the completion of the new sight screens, installation of a chairlift, installation of new carpet in a few areas, new fridges for the bar and the operation of the new electronic scoreboard. I will have missed something significant but in addition to the yearly duties, there was painting, cleaning, reorganisation of photos and memorabilia. It is enormous the amount that has been achieved through the support of the council and the work of volunteers, in particular Alan Scholz, Bob Snewin and Brian Rowe. Bob also has an endless ability to seek out grant money to help fund so many of these projects. David Wark, the council's curator at Glenelg Oval, has done a brilliant job preparing great pitches to play on and an outfield which is first class.

In respect of the club's administration, words cannot express the dedication and love these people have for the club, I am not sure it is fully understood by the players, as a player I am sure I did not.

The Board and volunteers greatly assist me in my role. President Jarret Moyse has shown exceptional leadership, not just with the "normal" president duties, but with many other critical meetings regarding the future of the club, development of facilities at Glenelg, the future directions of SACA competitions and structures, discussion with councils, Glenelg Football club and other parties regarding the use of grounds and facilities. Cheryl Cook continues

her amazing work as Treasurer but also as an extraordinarily strong advocate for women's cricket both at Glenelg and with SACA.

Nicole Williams took on the role of Junior Coordinator at late notice but did an incredible job to bring things up to speed and I was confident in knowing that Nicole had all junior matters under control. Kym Williams, the Junior Coaching Coordinator, continued his excellent work and with 2 junior premierships, he should be immensely proud. I would also like to thank the following people for their support and the roles they undertake as part of the Board: Josh Roach as the men's players' representative, Nicole Adams as the women's player representative, Brian McFayden who not only looks after our insurances but undertakes many jobs behind the scenes, including working behind the bar. Bob Snewin for his role in sponsorship and fundraising, Ashley Capp who gives so much time and is so passionate about the club in the way he supports the club with running the bar, the bar has made a significant contribution to the financial position of the club, club hire management and many social activities and Deb Schollar who has coordinated the club's communications which has resulted in greater coordination between the various types of media used to communicate with the Glenelg 'family'. David Boschma who assists me and coordinates the maintenance works of the club.

Whilst the Board has a significant role, there are many other people who contribute and are the lifeblood of the club, who need to be thanked and who make this club great. I would like to mention the following and thank them for their support: Peter Gladigau for his work in ground allocations, cricket equipment

SECRETARY'S REPORT

SEASON 2023/2024

and many other things and his collaboration with David Wark (Council's oval curator at Glenelg) has been excellent. Other significant supporters and helpers I would like to mention are Alan Scholz, Brian Rowe Barb and John Laing and David Angove and those previously mentioned. I am extremely grateful for your support and help, thank you.

Whilst naming these people, there are many others who contribute

significantly to the club including coaches, scorers, team managers, those who assist with teams in other ways, parents who drive players, set up ovals and the list goes on. I thank you all for your contribution because without it we would not be as strong as we are.

The club is always looking for more volunteers, if you are interested, please let someone on the Board know, there are so many ways

someone can contribute. Thank you to all our 2023/24 volunteers and we hope you continue next season.

To all the other volunteers and to the men, women and junior players, thank you all for being part of this great club and supporting me in my time as secretary, I wish you all the best for 2024/25 and beyond.

- **Paul Angley**
Honorary Secretary

U16 RED PREMIERS

U16 RED & WHITE PREMIERS

TREASURER'S REPORT

SEASON 2023/2024

I am pleased to report on the finances of Glenelg District Cricket Club for the year ended 30th June 2024.

During the 2023/24 financial year GDCC made a loss of \$16753 after deducting depreciation of \$15754. In effect the club made a cash loss of \$999.

The main reason for the loss is the increase of costs to provide training grounds for the players. The increase in this was from \$12564 in 2022/23 to \$29736 in 2023/24. The council also paid for West Beach which I understand was about \$17,000. The excess of \$34,000 was in excess of our budget.

Income has increased by \$23429 mainly due to bar sales, subs & very active S & F Committee. SACA grants are increasing by cpi annually. Competition prize money was \$12500 for this year. Thankyou SACA for the annual funding and the assistance given to Premier Clubs, particularly

Jason Herriott and James Takos for your time and understanding.

Expenses have increased by \$37449. Increase in electricity & gas, oval hire, Play HQ fees & internet have been the reason for this increase.

We sincerely thank the City of Holdfast Bay for their ongoing support and interest in our club activities as well as the upkeep of the oval and facilities.

The club continues to provide exceptional facilities and playing conditions for the players.

Capital items purchased this year include the upgrade of the auditorium, 2 new fridges and the installation of the chairlift. A loan from the City of Holdfast Bay was used to obtain these and the council are refunding the Chairlift loan.

The fundraising and sponsorship committee have again done a great job, led capably by Bob Snewin. Thank you to our

club & bar manager, Ashley Capp, who continues to do a superb job, reflective in the increase in bar income.

Thank you to the finance sub-committee - Ashley Capp and Brian McFadyen.

Budgets set for 2024/25 are realistic and manageable. Changes being made by SACA will still have financial repercussions as we go through the year.

Lastly a big thankyou to Jarret & Paul who manage the club so well. It has been an interesting year with the perceived changes to the competition & to the oval precinct. We are very fortunate to have people of this calibre managing our club.

The club has been able to service its debts and meet all of its financial obligations throughout the financial year.

- Cheryl Cook,
Honorary Treasurer

T20 Grand Final 30-1-2024

CLUB COACH'S REPORT

SEASON 2023/2024

This report took me a long time to write after what was a very challenging season for our Senior Men's group. A season that promised so much for so long ultimately ended without Glenelg winning any trophies for the first time in several years. We finished 2nd in the Club Championship for the second consecutive year, but despite making Semi-Finals or better in 5 of the 6 competitions we competed in, were unable to deliver the club a premiership.

To lose the Grand Final in all three formats (Two-Day, One-Day and T20) in 1st Grade gives us a very much unwanted piece of history and was disappointing beyond words. The boys played amazingly well throughout the entire season and to walk away empty handed feels unjust. We have all learnt from this and will certainly have no shortage of motivation to be better next year.

The 2nd Grade finished top of the ladder and narrowly lost their semifinal to eventual premiers Tea Tree Gully. With a huge turnover of players from last season, this really was an excellent achievement and congratulations must go to Josh Roach as captain, who managed what was an extremely young team as well as you could imagine.

The 3rd Grade also lost in the semifinals this year, whilst the 4th Grade needed a win in the last minor round to sneak in but unfortunately lost. We are absolutely blessed to have two excellent leaders of these teams in Steven Heatley and Scott Applegarth who are fantastic role models for our youngest players.

Despite the empty trophy cabinet, there were so many positives throughout the season which need to be recognised. It was particularly satisfying to see our captain Jake Winter make his debut for South Australia in the One Day Cup following incredible results in the format for Glenelg over a long period of time.

New recruit Conor McInerney had a terrific season for us, culminating in his selection in the final Sheffield Shield match of the year and resulting in him being awarded a full-time Redbacks contract for next season.

Playing Life Member, Ben Bullimore notched up his 150th 1st Grade match this season, which was a testament to his consistency over many years. He produced arguably his best performance for the club with a fighting century in the One Day Cup final and led the side well when Jake was injured.

But perhaps the success story of the season was Will Bowering, who won the Sam Starling Medal as the club's most outstanding player. Having previously been part of the SACA pathway programs, Will had the courage to change the way he trained and prepared this season which ultimately led to his best season to date. Will finished 3rd in the Bradman Medal and took 34 wickets in the two-day competition which was a huge factor in us finishing top of the ladder. He also made his debut for the SA 2nd XI against Victoria.

At the professional level, it was thrilling to see Nathan McSweeney's stocks rise so rapidly. Captaining the Brisbane Heat

to a BBL title was an amazing achievement and recently being appointed the SACA Men's Captain is an incredible honour. Nathan is the ultimate professional in every sense and we are extremely fortunate to have him represent the club when available.

Liam Scott had some untimely injuries this season which cost him games at state level but was an elite performer for us with both bat and ball. I have no doubt he is in the Redbacks best XI when fully fit. Brendan Doggett and Harry Conway both oscillated between the Redbacks and Glenelg this season, but we always welcome them into our side. The challenge for our contracted players next year is to produce match-winning performances in a final for Glenelg, which was a telling factor this season.

There are several people who I wish to thank but none more so than our tremendous coaching team. Not having access to Glenelg Oval for training this season added another layer to the difficult job that is coaching at a Premier Cricket club.

Nathan Schollar stepped up into the Senior Assistant role this season and did a great job, taking the reins when I was unavailable in the pre-season and guiding the 2nd Grade to a minor-premiership as mentioned above.

We welcomed Craig Douglass into the group as Development Coach this season and his enthusiasm and organisation created an excellent environment for our players new to senior cricket. I look forward to expanding Craig's involvement with the club next season.

CLUB COACH'S REPORT

SEASON 2023/2024

Peter Gladigau continued in his role as Fast Bowling coach as well as fulfilling every job asked of him around the club. 'Glads' has indicated he will be taking a step back from Glenelg next season as he enjoys a well-earned retirement. Sincere thanks for everything you've done for us and enjoy your travels!

Matt Heffernan's work as our fielding coach once again made a difference on the field and thanks also to Tom Plant, Tim Fernandez and Cullen Bailey whose understated work in the background made a big impact

on our results. It's great to have former players with so much to share helping our current group.

I'd like to acknowledge all the hard work done by the many volunteers around the club which make everything run smoothly and personally thank the Board for their support during the season. Look forward to seeing you all at Glenelg in 2024/25.

Finally, to the players. Boys, your efforts this year in trying circumstances were nothing short of amazing. Right from the first session you all turned up and did everything asked of you without

complaint, especially when facilities were short of the standard we would have liked. I sincerely appreciate your commitment and discipline, it's a pleasure to be involved with such a great group of young men. There's no doubt that the outcomes we desire will happen with continued hard work. The game knows.

MEN'S 1ST GRADE PLAYER'S REPORT

SEASON 2023/2024

A big season started with the new division system coming into motion. The team welcomed two new ins with Conor McInerney and Josh Pengelley. Both players had huge first grade experience with other clubs and we looked forward to seeing what they could bring for the group. The season started with T20's at Park 25. The season started strong with two comprehensive bowling performances and strong chases saw us defeat Tea Tree Gully and East Torrens. The following two weekends saw us start our one-day campaign. These two games were a massive reality check as a group as we lost to Port Adelaide and Sturt very convincingly. So, to start the season we had 2 wins, zero losses in the T20 competition and 0 wins and 2 losses in the one-day competition.

A start in the two-day format Division 1 competition saw us take on Kensington. We batted first and after a few early wickets, Conor McInerney and Liam Scott batted beautifully on a wicket that offered a bit early. Liam made 110 and saw us make 234. We then bowled well as a unit - enter Will Bowering who took the game away with a spell of 6 for 14 off 10.2 overs. This saw us bowl them out for 93, our first win against Kensington in roughly 14 years in 1st grade cricket. In the second game we took on West Torrens at home. We bowled first and stuck at the task well on a good batting wicket. We ended up bowling them out for 194, a very shared bowling effort with Josh Pengelley taking 3 wickets and Isaac Higgins with 3 also. Josh got rid of the few gun, top order batters and really opened up the innings for us to bowl them out. We then batted really well with Liam Scott and Conor McInerney, with Conor making 110 not out and Liam making 60 not out for a comprehensive 8 wicket win. The third round we played East Torrens

and bowled first. They made a strong start and were 3 for 160 before Will Bowering bowled beautifully and took 7 for 64 and we bowled East Torrens out for 216. We then started the chase strong with Conor McInerney making another brilliant 100 and he and Jake Winter got us to 2 for 198 before Conor got out and then a small collapse occurred and we lost 7 for 7 before Jake and Will Bowering guided us home for a 3-wicket win.

We then moved back into one dayers, we were scheduled to play East Torrens, but the game got rained out as well as our third T20 which was scheduled that Tuesday night. The T20 didn't get rescheduled but the one-day game did to the following Sunday after the one-day game versus Southern Districts on the Saturday following. As we had lost the first two one-day games, we needed to make sure we won both games well to ensure we made the quarter finals. In the Saturday game we took on Southern Districts and bowled first. A comprehensive bowling performance, with an excellent early innings bowling performance and then some tight bowling throughout, we restricted them to 138. Josh Pengelley bowled superbly with 4-19 off 10 overs. In reply, a swift chase ensued, with Jake Winter and Conor McInerney chasing the 138 in 14.3 overs with Jake making 89 not out and Conor making 40 not out. The Sunday game versus East Torrens started very similarly in the fact that we batted first and started the game in a positive manner with Jake and Conor putting on a huge 288 run partnership. We ended up with 403, with Jake making 182 and Conor making 130. A team bowling performance then kept East Torrens to 135 and this huge win put the team into the quarter finals finishing 5th, where we would take on Northern Districts away in January.

The final div 1 game before Christmas was played against Woodville, with week 1 of the game being rained out and turned into a one-day game. We bowled first and kept Woodville to 208 off their 50 overs, with Harry Conway the best bowler with 3 for 26. We then struggled throughout the chase to get ahead of the game but Danny Irvine held strong and led us home to a last ball victory with Danny hitting a 4 from the last ball to secure another strong win. The last games before Christmas were the T20 quarter and semi-finals days. The quarter final saw us lining up against Adelaide University, we batted first and made a strong score of 207 off our 20 overs. Liam Scott the star with 72 not out off 41 balls. We then bowled well as a team with everyone bowling well to keep them to 172 off their 20 overs. This meant we had a semi-final game in the afternoon vs Port Adelaide. We batted first again and made 167 with Jake Winter the best with the bat with 63 off 28. We then bowled excellently to keep them to 139, with Liam Scott and Will Bowering the best with the ball with 2 wickets each and advancing us into the final in January against West Torrens.

After a lovely Christmas and New Years break, we started off the new year with a 2-day Saturday and Sunday game versus Tea Tree Gully. With rain around, the first day was delayed for a large chunk of the day until the later afternoon, where we had around 2 hours to bat. On what was a green deck and offered plenty, we struggled early but enter Ben Bullimore who produced a stunning innings that night and the following day and ended on a brilliant 100 not out. We then had 30 overs to bowl them out, due to the rain affecting the number of overs, in those overs we had them 7 for 18 at one point and then they ended 8 for 35 with Liam

Scott bowling beautifully taking 6 for 6 from 10 overs. The match ended in a draw. The following week, we played Adelaide University and lost the toss and had to bowl. Another great collective bowling performance led us to bowling them out for 153 with Marcus Lee (3/17) and Will Bowering (3/30) being the best with the ball. With the bat, we chased the 153 down with ease, only losing 2 wickets in the process. Danny Irvine batted beautifully making 71. We then batted on and made 9 for 278 declared before we bowled again but only managed to get them 6/127 after the overs. Another great win which led us to a big match up vs Port Adelaide. We lost the toss and were put into bat. We started off shakily and continually lost wickets all day but a standout innings from Liam Scott, in which he scored 109, drove us to a very competitive 337. This was well supported by Josh Croom who made 55 and Damon Kerr who made 42. We then bowled superbly again after Port made a strong start and bowled them out for 159 with everyone chipping in but the stars were Pengelley and Bowering with 3 wickets each. The next game was against West Torrens, we bowled first due to a green wicket and probably bowled the worst we have all year and ended up bowling them out for 161. Feeling a little over par for the wicket that was produced. We then started off the batting innings alright being 1 down overnight and then we got to 2 for 80 and looked in a good position before we lost consistent wickets and then ended up falling 15 runs short with no real standout performers with the bat and the only standout performer with the ball was Josh Pengelley with 4 for 55.

These few two-day division 1 games were surrounded by some short form finals. First was the T20 final against West Torrens at Adelaide Oval. We were outplayed from the first ball and after they made 4 for 197, we failed to get going and were bowled out for 67. A disappointing result after a really strong performance in the T20 competition until then. The one-day competition saw us play Northern Districts in the quarter final away.

We had an incredibly strong bowling performance where we bowled ND out for 74 with Josh Pengelley and Liam Scott both taking 4 wickets each in a dominant performance. We then chased it down with relative ease, with even contributions. Our semi-final opponents were Port Adelaide and we lost the toss and had to bowl first and again we bowled beautifully as a side and ended up restricting Port to 130. With Isaac Higgins the best with the ball with 6 for 25. We then stumbled early with the bat, before Jake and Ben Bullimore guided the team home 2 down in the 30th over to put us through to a Grand Final. The grand final was a rematch from a few years ago against West Torrens. We won the toss and chose to bat first. A disappointing first 10 overs left us 4/17 at one stage and then a great fightback from Ben Bullimore and Isaac Higgins, saw us get back to a competitive score after our 50 overs with 7 for 211. Ben finished with a wonderful 112 not out. The bowling innings started very strongly and at one stage we had them 4/83 and looking strong before they got away from us and chased the score down in the 49th over. Another disappointing loss and one that we felt was very winnable.

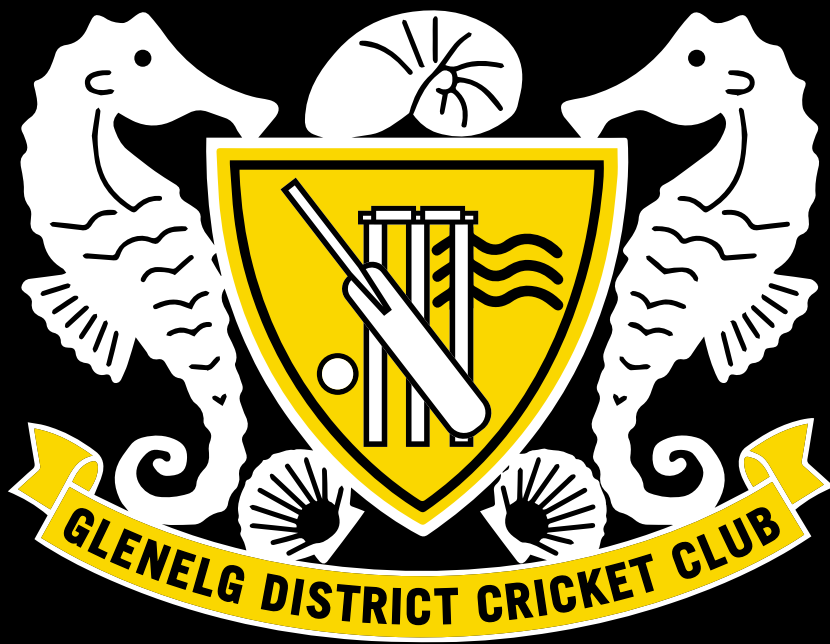

After two tough grand final defeats, it was down to the two-day competition to resurrect our season and bring some silverware home. We finished the season strong after losing to West Torrens in the round 8 two-day game, when we faced Woodville. We batted first on a green wicket and the team batted beautifully with even contributions throughout the team and fifties from Conor McInerney, Nathan McSweeney and Isaac Higgins. We posted 324 and this was too many for Woodville who we bowled out for 170 in the last over of the game. The best with the ball was Will Bowering with 5 for 56. Our last round game came against Kensington at home and we batted first again, another game of even contributions with five players scoring over 30, saw us post 282. We then bowled brilliantly and ended up bowling Kensington out for 108 with Marcus Lee, 4 for 33 the pick of the bowlers

on the day. This saw us finish top of the Division 1 ladder to face Adelaide University in the semi-final. We lost the toss and batted first against Uni and batted excellently, we had 5 guys make over 40 and three individual scores of 90 or more led us to a score of 397. We then bowled excellently with even contributions from all bowlers including Conor McInerney taking his first A grade wicket for us and this led us to bowling them out for 217. This meant we were through to our first A grade final since the victorious 2012-13 side which featured both Danny Irvine and Ben Bullimore. The game started with us being sent in to bat on a wicket that was offering a bit. We started well at 1/30 but then wickets consistently fell either side of lunch and this led to us being bowled out for 153, well below par. After this very disappointing batting performance, we had to come out and bowl superbly on a wicket that was getting flatter. We started alright, having them 2/40 but consistent partnerships from them slowly got them over the line early on day 2 and we couldn't take any more quick wickets forcing a premature end to the game.

Ultimately this ended a season full of so much success yet no silverware. A strong effort from all of the boys all year with wonderful season performances from Conor McInerney and Will Bowering, which saw them both make the Team of the Year and Liam Scott very unlucky to miss in an injury riddled year for himself. It was a year full of hope and many contributors throughout the side, but a lack of success wasn't the overall mark we had hoped to achieve, especially after making all three finals. This will make us hungry for more success and determined to bring back all three flags back to Glenelg next year.

A quick thankyou to Sam McNally for his efforts coaching us all year and to Gary Kuchta for scoring us week in week out. Here is to a more successful 2024-25.

WOMEN'S CLUB COACH REPORT

SEASON 2023/2024

In the 2023/24 Season the club fielded teams in 1st and 2nd Grade SACA and a Premier Youth Team, plus a combined team with Brighton Cricket Club in the ATCA women's competition.

The season was one of contrasts, once again the 20/20 competitions were played in the first half of the season. The women's 1st grade finished equal top with Sturt, having a better quotient, but lower net run rate. The grand final was scheduled for Karen Rolton Oval and despite forecast of substantial rain, there was not an option to reschedule and as a result Sturt were declared the winners. It is worth noting that Sturt batted first in the majority of their games and were able to 'go for it' at the end of their innings and lift their net run rate, however, by contrast Glenelg bowled first in the majority of games, often bowling teams out and taking a slightly conservative approach to achieving the win, however this impacted on the run rate. The 2nd team struggled in the competition finishing 5th, there are many young players in the team, and they lack the physical strength to score quickly in the 20/20 format.

The one-day competition saw a complete change in fortunes with the 1st grade struggling to win games and being impacted by state selection and injury finishing 4th. The 2nd grade team were fortunate to gain the services of Caroline Ward for the one-day competition and her experience was critical to the development of the team and captaincy of Caitlin Seccafien. The team finished second in the minor round and played Northern Districts (this was their top team and included players who played 1st grade in the previous season). Glenelg made 129 from 39.1 overs

with a number of batsmen making a contribution. While the final total was short of what the team would have liked, it was runs on the board. The teams bowling and fielding was extremely good and quickly had Northern District 9/48 and whilst the last wicket took a little time to get the girls stuck to the game plan and maintained pressure to have Northern finally bowled out for 71. Once the first 4 bowlers shared the wickets and the other 2 bowlers used bowled very tightly.

The Premier Youth Girls team (U18) finished second and lost the grand final to Kensington.

The development of the women's program is highlighted by those players who are selected to play at higher levels and whilst some players have come from other clubs, it was gratifying to see some of very young home-grown talent being recognised.

Tahlia McGrath - Australian teams, Scorpions and Strikers

Courtney Webb and Kate Peterson – Australia A, Scorpions and other WBBL teams

Anesu Mushangwe and Ella Wilson – Scorpions and Strikers

Players developed from juniors.

Eleanor Larosa Scorpions and Australian Under 19

Eleanor Larosa and Lucy Bowering – SACA women's team of the year

Dia Shah and Elizabeth Johnson – SACA U19 Squad

Riya Gupta and Ivy Hobbs – SACA U 17 Squad.

Many thanks to all those who helped out during the year, to the

scorers and managers, Stephanie, Paul, Barry, Darren and Kym. We had an excellent coaching team, with special thanks to Jason Gentle, Anesu Mushangwe, PJ Scott, Scott Woods and Jamie Parish for his work with the combined Glenelg/Brighton Team. A massive thank you to Craig Bowering who took on many roles during the season and made a tremendous contribution to our team. A special thanks to Cheryl Cook for her support of women's cricket and being involved on SACA women's committees.

- **Graham Sedunary (Sedgy),**

MEN'S 2ND GRADE CAPTAIN REPORT

SEASON 2023/2024

This year, the Second Grade had a vastly different look to the side, with many experienced players leaving the club to seek opportunities at other clubs after winning the 2022/2023 premiership. This allowed for many new young players being awarded with opportunities in a team that has been dominant for the past five seasons.

The year started with a strong win against Port Adelaide, the Bye, then a narrow loss to Kensington. From there, the boys did not look back until after Christmas as we were able to cement a stranglehold on the top of the ladder. Jack Thomas, a future first grade player, showed his talent with a blistering start to the season. Jayson Bartolo left off from his match saving Grand Final performance and led the runs in the competition from essentially the start of the season to the conclusion. The ever-reliable Harry Cunningham showed his ability to win games with both bat and ball and when called upon to higher honours, performed well.

Jesse Arthur was rewarded for his consistent performances over the past few seasons playing some first-grade cricket for the first time. He also took thirty wickets at an average of thirteen and was the leader of our attack, with Marcus Lee playing the vast majority in first grade this season. Jayson Bartolo added to his

two-way player status with nineteen wickets and eight wickets in a single match. The new generation of players to the second-grade unit included Jonty Higgins, Bodey Hosking, Harvey Otto, Thomas Smith, Kuwerdeep Singh and Cameron Kiel. All of which showed promise as players to watch as our next group of players to lead the twos and push for higher honours.

After a successful season in which we finished top, we were forced to play Tea Tree Gully at the neutral venue of Park 25. After pulling back the covers and seeing a pitch green enough to nearly have trees growing out of it, we fortunately won the toss and elected to bowl. With a much-vaunted second grade attack, we took wickets at regular intervals to dismiss a team we beat comfortably during the minor round for 138. Having to face twenty overs before the close of play, Jayson Bartolo and Josh Roach steadied to be 1/48 overnight. With much of the sting of their attack seeming blunted with a slightly older ball, hopes were high for a solid first session of day two being enough to book a Grand Final at Glenelg oval.

As we know with cricket, it is never easy, and we were on the wrong end of overhead conditions and some quality bowling first up and fell into a hole too big to get out of. We were bowled out for 120, losing the match to the eventual

premiers. Overall, the season was an extremely successful one. We had a huge turnover of players, and many players had not played second grade cricket before this season. To finish top and not get through to the final is undoubtedly disappointing. However, it was a great learning experience for the new players to see the level increase in finals and play cricket as close to 1st grade as possible.

A special mention must go to Nathan Schollar who coached us superbly and kept the wheels spinning with a high turnover of players. His experience and coolheaded approach made the captaincy job much easier. Club Coach Sam McNally was also instrumental with identifying future talent at the club and allowing young players opportunities in higher grades. I look forward to what is going to be an exciting time for the Second-Grade team as we evolve and grow as players and leaders of the club. With similar processes and winning attitude, the ultimate success of another premiership is inevitably within reaching distance.

Thanks to all the volunteers who helped during the year to make our year more enjoyable as players. We could not thank you enough.

- Josh Roach,
2nd Grade Captain

MEN'S 3RD GRADE CAPTAIN REPORT

SEASON 2023/2024

The 3rd grade entered the 2023/24 season as the reigning premiers and with complete confidence that it would contend for silverware again. With many of the premiership side returning to compete again, combined with some new faces coming into the senior program, expectations were understandably high for this group. After achieving the ultimate success last season, anything less than going all the way again would be a disappointment. Unfortunately, this turned out to be the case.

The season commenced with a solid performance against Port Adelaide, where the side chased down the target of 156, with Riley Hill making 70 not out. After the bye in round 2, we headed out to face Kensington in round 3 for the grand final re-match. Despite not starting brilliantly with the ball, a disciplined performance in the second half of our innings in the field, led by solid spells from Harvey Otto and Jonty Higgins, restricted them to 166. The chase did not start well with us being 4/49, but a brilliant innings of 64 not out from Bodey Hosking in partnership with Tom Worthington (49) saw the side to a comfortable five-wicket win. Round 4 saw another comprehensive performance from the team, with the returning Kevin Perera taking match figures of 7/50 as the team achieved an outright win over a young West Torrens team. This was followed up with another professional performance against East Torrens, as Kelly Angove (4/36) and captain Heatley (64) led the team to its fourth win. The season had started as well as it possibly could have, and expectations were understandably high.

Round 6 saw the team comprehensively beaten by a well-disciplined Adelaide side. This game,

as disappointing as it was to be completely outplayed, served as a very good reminder that continual hard work was required to ensure the side was well positioned to compete in finals. The final round before Christmas against Woodville saw us achieve a gritty win despite not being at our best. Despite an average couple of rounds, the 3's sat on top of the ladder at the Christmas break and were well set to attack the second half of the season.

The Round 8 match against Northern Districts was abandoned due to some uncharacteristically wet January weather. We were then in a great position on multiple occasions throughout the match against Adelaide University in Round 9, however we were not able to capitalise and were well beaten in the end. The team responded brilliantly in Round 10 against Prospect, where Tom Smith led the way with 5/34, before a brilliant opening stand between Kuwerdeep Singh (67) and captain Heatley helped us run down the target of 170 with eight wickets in hand. Unfortunately, this was followed by another poor performance against Tea Tree Gully, resulting in another significant loss, despite Zac Chapman's effort with both the ball and the bat (2/95 and 50).

Against Southern Districts in Round 12, after choosing to bowl first, we had possibly our worst day in the field for the year. Multiple chances were missed and frustrations were beginning to mount. Despite this we managed to bowl them out for 183. The chase did not begin well and, at 9/148, we were staring down the barrel of dropping out of the top four. However, Alex Percy was joined by Tom Worthington, who arrived at the game halfway through the day after dragging himself off

his sick bed, and together they slowly worked their way towards the target. As the runs slowly ticked down, the more nervous the boys became. With 5 runs required, Percy followed up a beautiful cover drive for four with a drop and run into the off-side to seal a one-wicket win. This was an amazing feat for the two in the middle to be a part of and was a real uplifter for the group. It was hoped that this win could spark us into action to go and achieve something special. The final home and away game against Sturt was a tough scrap that unfortunately did not go our way, despite us again having multiple chances to grab the momentum and run with it. This meant that we finished in 4th place on the ladder and set a semi-final date with Adelaide University.

After losing the toss and bowling first, we began brilliantly with the ball, with Jared Kuhl, Tom Smith, Kelly Angove and Alex Percy also bowling incredibly well. We were in a commanding position, having taken them 7/58 and looking like we would bat for two hours on the first day. However, a late order partnership enabled them to get to 169 all-out. Despite a positive start to the run chase on the second day, we were unable to get any sort of substantial partnership together and were bowled out for 116, therefore ending our season.

A season that began with so much potential for the 3's unfortunately ended in disappointment. Put simply, we were not good enough for long enough to warrant playing off for silverware this season. On one hand, this was a massively missed opportunity for a group who expected to be competing in the last game of the year. However, on the other hand, looking at the considerable number of players

MEN'S 3RD GRADE CAPTAIN REPORT

SEASON 2023/2024

missing from the senior squad through the second half of the year, and with the in-experienced team we had, making finals was an achievement in itself. You must be one of the final four teams to have a chance at playing off for silverware, and we are still clearly one of the stronger teams in the competition. Tom Worthington topped the batting charts for the second year running, finishing with 292 runs at an average of 36.5, while Kelly Angove finished on top of the bowling statistics with 18 wickets at 18.89.

Thank you to the club, the volunteers, the Board and the sponsors for all of your support and assistance throughout the season. It was a different season with us not having access to Glenelg Oval for training, but it was great to

have everything organised and prepared to support us through this season as best as possible. To the coaching group for all of their efforts with the 3's group and the senior squad more broadly – Sam McNally, Nathan Schollar, Craig Douglass, Peter Gladigau and Matt Heffernan – your passion and energy for the club is infectious and our players are extremely fortunate to have these people involved with the senior squad.

One final acknowledgement I need to make is to the 3rd grade stalwart – Tom Worthington – who announced his retirement after the conclusion of the season. Wortho ends his career having played 101 senior games for Glenelg and finishes as a two-time premierships player and a premierships captain.

Wortho has been an outstanding leader for our group over several years, providing a great level of experience and mentorship for our group. We congratulate Tom on all he has achieved at the Glenelg District Cricket Club and wish him, his wife Kristen and young Ralph all the very best – the door to our changeroom is always open, mate!

I hope that everyone has an enjoyable off-season, rests, and recovers well after a long and challenging season. Looking forward to preparing well and attacking season 2024/25 to compete for more trophies.

**- Steven Heatley,
3rd Grade Captain**

MEN'S 4TH GRADE CAPTAIN REPORT

SEASON 2023/2024

Once we hit preseason, it became apparent the 4th grade team was going to look significantly different again from a high amount of player turnover occurring during the off season, especially in the higher grades. With this, we had another high number of juniors playing senior cricket for the first time, making it another exciting challenge to be a part of as captain.

The season started positively with a very strong winning performance against Port Adelaide, chasing 106, Harry Fiebig and Tyler Hobby batted well together with an unbeaten 100 run partnership to get our season off to a winning start. Momentum continued to build after the 2nd round bye against Kensington where Harry Fiebig once again continued his great start to the season with a top score of 68. As a team we made 201 in 40 overs and restricted Kensington to 191 with an even spread of wickets from all the bowlers.

Next game against East Torrens was always going to be a challenge considering we had to play one player short, but the team fought hard and narrowly lost chasing 166. Oscar Hofmeyer led from the front taking 3/22 while Aryan Devgun (30) and Jem Mullarkey (33) gave a good performance with the bat.

Round 6 saw us play Adelaide in a high scoring affair, with Adelaide setting a competitive 200 to chase. Alex Percy (3/28) and Leroy Hagon (2/26) bowled well in tandem at the top, helping to restrict the total. Dan Cunningham (34) and Tyler Hobby (59) got us off to a hot start with the bat while Scott Applegarth (39) and Kaidyn Weber (34) chipped in to get the team home finishing 5-204. This performance was very encouraging and while we lack senior experience

amid the constant changes, it was good to see the young players competing hard against older more experienced teams.

After the midseason break, we played against Adelaide Uni who are always a tough experienced 4th grade team and with no exception they made an imposing 280. Lachie Douglass was easily the pick of the bowlers finishing with an impressive (4/45) from 15 overs. Chasing was always going to be difficult however Scott Applegarth (103), Jacob Lewis (52) and Leroy Hagon (32) gave it a real shake but in the end, we fell 40 runs short.

Next game against Prospect, conditions looked suited for bowling, and we took advantage of this dismissing them for 135. Lachie Douglass produced his best senior figures taking a very impressive (6/29) with great backup from Leroy Hagon (3/17). With a slight scare we managed to get the win, Riley Hill taking his opportunity at the top of the order making a solid (64) along with some late big hitting from Matt Lee (43*).

In the last couple of games an SOS was sent out to help the 4th grade put a full team out on the park and the following club stalwarts Ashley Capp, Jason Gentle, Matthew Angley and Sam Williams all provided their own time to help us. This is why Glenelg Cricket Club is a great club to be a part of, to have ex-senior players volunteer their own time, giving up their weekend to allow us to play a game of cricket is fantastic. It was uplifting to all involved and a benefit for the young players. All contributed well on the field, Sam Williams showed us he can still play by hitting an unbeaten 73* against Southern Districts while Jason Gentle managed to collect a few wickets in his games.

Coming into the last game against Sturt, a very strong win would place us in the finals but unfortunately Sturt, who are an experienced team, were overall too strong for us. To just miss out on finals with such a young group was an incredible effort. The future indeed looks bright going forward into next season seeing the development of all these young players.

To all the coaching staff, Sam McNally, Craig Douglas, Matt Heffernan, Peter Gladigau, Nathan Schollar and Tim Fernandez, thank you for all your efforts and continual support throughout the season, it is very much appreciated.

A huge thank you to all the volunteers, sponsors, and staff, without your contributions we wouldn't have the opportunity to play cricket at this great club.

Finally, a massive thank you to Paul Angley who scored the entire season for the 4th grade, to sacrifice your time each week to help is extremely valued and appreciated.

I am looking forward to seeing everyone and playing again next season.

**- Scott Applegarth,
4th Grade Captain**

U18 SHIELD REPORT

SEASON 2023/2024

After underperforming last season, the U18 squad was keen to make amends in 23/24. We only had 4 top age players available, so we selected a young squad of 15 players to represent the club this season. Traditionally, to make finals in this competition, teams need to win 4 of their 5 minor round matches, so this was the target that we set ourselves before the tournament.

We started the competition by playing Southern at Glenelg. We had Southern in trouble at 6/88 but they were able to post 226 on the back of an excellent hundred by their number 7. We lost wickets steadily until Jonty Higgins (40) and Leroy Hagon (37) got us back in the game with a 61 run partnership, but it wasn't enough and we lost the match by 18 runs.

Needing to beat Sturt at Price Memorial, captain Jack Thomas led from the front winning the toss and making a magnificent 91 on a difficult pitch. Jack was ably assisted by Lachlan Douglass (35) in a 94 run partnership to get us to a total of 186 all out off 49.1 overs. Our bowling and fielding unit then easily accounted for Sturt, bowling them out for 106 off 36 overs with Rahul Evuri 3/10 and Michael Jansson 3/24 the leading wicket takers, with all bowlers bowling well and backed up by an excellent performance in the field.

We comfortably accounted for Prospect at Broadview Oval. We won the toss and fielded bowling Prospect out for 96 off 39.2 overs, again with contributions from all bowlers with Jonty Higgins the standout with 4/16 off 9 overs. We went out to get the runs as quickly as possible and lost a few wickets along the way but

got the runs in the 22nd over 5 wickets down, Jonty completing a great match with 40no.

Our fourth and final match for week 1 was against Kensington at Camden Oval, Kensington had also had a good week, so this was going to be a great test for the lads, which was made more difficult when Jack had to be replaced just before the toss due to injury. Kensington batted first keeping wickets in hand throughout their innings to finish on 8/181 after their 50 overs. This was another exceptional performance from our bowling and fielding group who came together after a tired start and a blast from the coaches at the 17 over drinks break. We chased the runs down in the 44th over with 5 wickets in hand. Our batting innings was defined by 2 partnerships; an 82 run 3rd wicket partnership between Jayden Prior (48) and Ryan Sharma (29) and an unbroken 5th wicket partnership of 53 to finish the chase between Logan Banyer (31no) and Lachlan Douglass (18no).

On Monday, we travelled out to the Paddocks to play Northern Districts, needing to win to secure our place in the finals. Northern batted first limping to 10/107 off 41 overs. As was the case for the entire tournament, our bowling group performed well, with Alex Percy the standout with 3/14 off 9 overs. Also, as was the case in all matches, we went out to get the runs as quickly as possible, knocking the runs off in the 20th over. We welcomed Kuwerdeep Singh into the team after missing week 1 due to SACA U17 selection, with 46no.

Tuesday was the Semifinal at Glenelg Oval and this was to be the highlight of the tournament for us. Kensington batted first

and got away from us, getting to 3/152 after 30 overs. The team stuck to their task and fought back to bowl Kensington out for 246 after 48 overs. Higgo again the standout with 3/46 off his 10. This also gave us some momentum going into our batting innings. Jack and Kuwerdeep opened and set the tone brilliantly with a 100 run opening partnership in just 16 overs. We then lost 4 quick wickets, but Kuwerdeep Singh (107no) and Logan Banyer (39) finished the job off with us finishing on 6/247 off 43.1 overs. This was a great knock by Kuwerdeep who batted brilliantly in the early overs with Jack, taking advantage of the fielding restrictions, and he then had to steady the ship, forming another partnership after the loss of 4 wickets with Logan. Kuwerdeep showed great maturity throughout this innings and steered us home, scoring his maiden ton for the club along the way.

We then played Sturt in the Grand Final at Karen Rolton Oval in a rain shortened 40 over match. Batting first we made the target that we set for ourselves of 160 but couldn't bat our overs out, being bowled out in the 37th over. Sturt attacked the target aggressively and got away from us, winning by 8 wickets with 10 overs to spare.

Whilst it was disappointing to lose the Grand Final, it was a great result to make it and was a great experience for the players who were selected to play. This was an unfortunate way to end our tournament, but the lads should all be proud of their performance as a team which should stand them in good stead for next season, with all but 4 of these players available to play again.

U18 SHIELD REPORT

SEASON 2023/2024

Consistent performances across the squad are required to make the Grand Final, and we certainly had that across all disciplines of the game, with all 15 players contributing at some point over the 7 matches played. The batting was won by Jack Thomas with

202 runs at 33.7 with Kuwerdeep Singh making 164 runs at 16.4. The bowling was won by Jonty Higgins with 14 wickets at 13.3 with Rahul Evuri taking 9 wickets at 16.1. Jonty also made 147 runs at 29.4 and was the well-deserved winner of our MVP for the tournament.

A huge thanks to Nicole Williams for taking on the Team Manager role and to the parents who scored and supported us on match days.

- Craig Douglass & Jesse Arthur, Coaches

MURRAY SARGENT TROPHY

Jack Thomas (R) receives the Murray Sargent Trophy for U18 Grade Batting from Peter Hurcombe (L)

THE BRIAN & DES RUNDLE TROPHY

Jonty Higgins (R) receives the Brian & Des Rundle Trophy for U18 Grade Bowling from Peter Hurcombe (L)

JUNIOR COORDINATOR'S REPORT

SEASON 2023/2024

The Juniors at GDCC had a terrific season 2023-24! We had 3 teams make the finals resulting in two premierships for our U16 Red and U16 Whites, and our junior teams were competitive in all age groups.

I would like to acknowledge our coaches who have invested a lot of time into our players and our Junior Programs to ensure GDCC has such a strong program and pathway for our junior players. Thanks to Glenn Sullivan (Academy), Chloe Mackenzie
The Juniors at GDCC had a terrific season 2023-24! We had 3 teams make the finals resulting in two premierships for our U16 Red and U16 Whites, and our junior teams were competitive in all age groups.

I would like to acknowledge our coaches who have invested a lot of time into our players and our Junior Programs to ensure GDCC has such a strong program and pathway for our junior players. Thanks to Glenn Sullivan (Academy), Chloe Mackenzie (Chappell-Whitty Academy, Mt Gambier), Greg Campbell (U14 White) Kym Williams (Junior Coaching Co-ordinator, Ray Sutton Shield & U14 Red), Matt Connors (U14 Red), Neil Rowe (U16 White), Raj Rana (U16 Red), Craig Douglass (U17 & U18) and Jesse Arthur (U18). Thanks also to Sathish Srinivas, Caitlin Seccafien, Darren Banyer and Justin Strange for your efforts as assistant coaches.

Thank you to the Board of Management for their continued support and investment into our Junior Program.

I would also like to acknowledge Kym Williams' contribution again this season as the Junior Coach Coordinator, as he has put a huge amount of effort into improving our Junior Programs over the past three years. This has been

invaluable in ensuring that the GDCC Juniors continue to thrive and offer development and opportunities to our players that other clubs can only aspire to have.

We were very lucky this year to have many volunteers to help with our junior teams. Thank you to all the parents who helped with training and match day duties. We can't continue to have such a strong Junior Program without the support of our GDCC families, and this also ensures our coaches can focus their time in coaching our players. We had so many volunteers this season I'm not going to name them all, but I would like to make special mention to Renee Price for her assistance with PlayHQ, registrations and scoring throughout the season as this was much appreciated.

Season 2023-24 wasn't the easiest of seasons as we were unable to train at GDCC due to the net upgrade. However, I would like to thank everyone for your patience with this as we navigated the traffic travelling to Pulteney Grammar for training each week. I'm sure we will appreciate our new training facilities even more next season!

This season we also had a pitch and net upgrade at Bowker Street, which will give our junior teams options when we can't play on our usual turf wickets, or we need additional grounds to train on. Thank you to the City of Holdfast Bay for their support with this initiative.

Once again, this season we had several players represent South Australia in the following teams:

- U15 - Logan Banyer and Ratna Rahul Reddy Evuri
- U17 – Kuwerdeep Singh

And the 2024 U16 state team:

- Ratna Rahul Reddy Evuri, Tait Martin and Jarrah Reidy

And the following players have been selected to be part of the Winter training squads for the upcoming season:

- U17 - Logan Banyer and Ratna Rahul Reddy Evuri
- U19 – Jack Thomas

Congratulations to all SACA and Glenelg award winners for this season (listed at the bottom of this document). The Glenelg specialist trophy winners were as follows:

Wicket keeper of the season:

We are very fortunate to have some terrific wicket keepers in our junior teams, however this award could really only be awarded to one player this season. Although he did play a lot of college cricket this year, it was great to see him back in our finals team, where he kept extremely well. He has played U16 Red, U17 and U18 this season, is involved in the state pathways and is a great asset to our club. Congratulations Logan Banyer you are our wicket keeper of the season.

Commendation award:

This award is given to someone who is passionate, authentic and accountable on and off the field. They are welcoming to new players, have strong levels of club commitment and help every player involved at our club achieve their fullest potential. This season we had a couple of standout players who showed outstanding leadership, always putting others and the team before themselves. Including our U16 captains who did an exceptional job leading their teams throughout the entire season resulting in a premiership for both

JUNIOR COORDINATOR'S REPORT

SEASON 2023/2024

teams. This is why Lachie Price is the recipient of our commendation award for this season for his leadership of the U16 whites.

Junior Seahorse of the year:

This award is essentially the best and fairest award based on a 3, 2, 1 voting system from each game. The recipient of this award has gone to someone who has had another terrific year.

He won the batting for the U16 Red competition, the bowling for Glenelg's U16 Reds, made 3 x centuries and played U16 Red, U17 and U18 as a first year U16. He is also in the state pathways. Congratulations Rahul on winning this award again this season.

Winning the U16 Red and U16 White premierships this season was an outstanding achievement

and a highlight for everyone involved. Congratulations to all the players, coaches and volunteers on our premierships – this was a terrific way to end the season and I wish everyone at GDCC all the best for next season!

- **Nicole Williams,**
Junior Coordinator

JUNIOR ACADEMY

GLENN SULLIVAN

With limitations around training facilities and resource requirements for our training plans, the decision was made this year to host all training sessions for the Academy at McAuley Primary School. This provided us with the ability to split our sessions to focus on specific batting and bowling skills in the nets, fielding a movement in the adjoining soccer field and run centre wicket scenario's all simultaneously.

The Academy expanded its program this season to include junior females up to U15's in addition to the U12 males. The girl's inclusion

has mostly been a real success with those self-driven individuals relishing the challenge against the boys and seeing accelerated development in their skills. For the majority, engagement was high, however, collaboration with the senior women's program was limited despite our best efforts.

We held five competitive games across the season with mixed success. These consisted of 3 x 40/40 and 2 x 20/20 matches. By the last game, many of the squad members had shown improvements in the fundamental areas of bowling line and length, fielding movement and batting with positivity.

The resourcing of having multiple coaches was incredibly positive allowing for greater 1 on 1 focus and splitting activities to cater for the different skill levels.

Caitlin's growth as a young coach has been positive and I would recommend that the club continue to invest in her development.

I would like to bring to the committee's attention that we were the only Junior Academy that we came across that does not have senior men's players involved as mentors or coaches. I would encourage our senior coaching staff to support and promote the involvement from our senior men.

This will also be my last year leading the Junior Academy. I would welcome the opportunity to discuss and support planning for my successor to ensure this program continues to grow and be successful.

CHAPPELL WHITTY ACADEMY

CHLOE MACKENZIE

The Chappell Whitty Academy ran for 10 sessions through winter. We had 24 members, with a variety of ages, including 5 girls. Some highlights from this year included:

- Guest coach appearances from ACA Members Aaron O'Brien (spin) and Dave Mundy (fielding)

- Guest coach appearances from GDCC coaches Neil Rowe (pace bowling) and Kym Williams (batting fundamentals).

At the conclusion of the academy, 3 players (2x U12, 1x U16) were identified who were at the skill level required to play for GDCC this season and they have been invited to be involved in a few games. Chloe will be doing some one-on-one coaching with them throughout the season as an extra support.

The conclusion of academy survey identified extremely positive feedback from parents (12 responses),

senior coaching staff to support and promote the involvement from our senior men.

This will also be my last year leading the Junior Academy. I would welcome the opportunity to discuss and support planning for my successor to ensure this program continues to grow and be successful.

RAY SUTTON SHIELD

KYM WILLIAMS

Preparation for the Ray Sutton Shield carnival started very early for us which included having four centre wicket trials using game based scenarios with a large squad to pick our final team early in the season. This proved very beneficial in allowing us to observe our players in real game sense situations under pressure.

It was a disappointing year for the Ray Sutton team on the back of a very good year prior, making the grand final. The Ray Sutton Shield team played four games winning one against East Torrens and losing to Northern Districts, Adelaide and Southern Districts. We struggled to post reasonable batting totals which put a lot of pressure on our bowlers and fielders to defend low scores.

There were some terrific individual performances over the course of the tournament I would like to acknowledge:

- Charlie Foster – 92 against East Torrens
- Felix Nelson – 4 for 17 off 8 overs against East Torrens
- Aiden Williams – 52 against Northern Districts and 43 against Adelaide

In terms of our overall individual results, with the batting, Aiden Williams had a good season leading the way with 131 runs @ 32.75 with Charlie Foster making 122 runs @ 30.5. With our bowling, Felix led the bowling with 7 wickets @ 9 with Dylan Percy taking 6 wickets @ 13.67. Harry Campbell did a fantastic job as our wicketkeeper for the year as well.

Our captain and vice captain did a very good job for the carnival leading the boys. Aiden Williams and Charlie Foster worked very well together to play to their

strengths out on the field.

Special thanks go to Matt Connors for his assistant coaching role with the team and Chris Salter for helping out with the team management responsibilities. A thank you also goes to the parents and extended families of our team. Their support and help for the coaches and kids was greatly appreciated through the carnival.

A final thank you goes to the kids that made up the Ray Sutton Squad this year. Their commitment to playing cricket on a Sunday afternoon on top of their other weekend commitments was appreciated.

Thanks again to everyone involved at the club for their support of the Ray Sutton program. It was the last year of this tournament which has been a very important entry tournament for the district program.

U/14 REDS

MATT CONNORS & KYM WILLIAMS

It was a season of mixed results for the Under 14 Reds group with several very good team performances as well as some disappointing outcomes. Our best cricket saw us dominate games for long periods, but the odd poor session proved costly on several occasions.

We faced a challenging start to the season with the first three rounds being played against eventual semi-finalists Prospect, Adelaide and West Torrens. Unfortunately, we weren't playing to our full potential early on and subsequently found ourselves 0-3.

From Round 4 we started to play better cricket and gained some much-needed momentum. Impressive all-round performances resulted in solid victories against Woodville, Port Adelaide and Tea Tree Gully to get our season back on track.

We were keen to hit the Christmas break full of confidence but lost a heartbreaker in Round 7 vs Kensington. Chasing 119, we started our innings very positively, but a late batting collapse saw us go down by seven runs. Our last wicket to fall was a direct hit run out from three quarters of the way to the boundary, so it just wasn't our day.

Rounds 8 and 9 saw us have very comfortable wins against Northern Districts and East Torrens to keep us in the hunt for a finals spot. Very impressive team batting and bowling efforts were the key takeaways from these games.

Needing a win in Round 10, we headed down to Aldinga to take on Southern District. Chasing 150 on a very small ground, we unfortunately lost wickets at regular intervals and fell just short of the target. This result prematurely ended our finals chances.

The last round saw us take on eventual premiers Sturt. We set ourselves to finish the season on a high and the team delivered arguably our best performance. Defending 136, we bowled and fielded extremely well and had Sturt on the back foot for much of the game. An extremely tense finish ensued as Sturt took nearly 70 overs to pass our score 9-down with just a handful of overs left in the day. We didn't quite get the result that we wanted but the boys gave it their all and, as coaches, we couldn't have been any prouder of them.

Despite not playing finals, this has been an invaluable season of learning and development for our group. It has been fantastic to see the boys work hard on improving their skills and team-first mentality, with everyone stepping up and performing a role for the team when needed.

Our leadership group did a terrific job all season. Cooper Lawson, Aiden Williams and Mitchell Connors worked very well together to ensure that the team was well-led throughout.

From an individual perspective, there were some notable performances this season:

- Dhhruv Dwivedi 105* vs East Torrens
- Luke Hunter 76* vs Northern Districts and 71 vs Prospect
- Cooper Lawson 57 vs Port Adelaide and 54* vs Tea Tree Gully
- Mitchell Connors 55 vs Sturt and 48 vs Woodville
- Aiden Williams 47* vs Northern Districts
- Jay Rana 6/20 including a hat-trick vs Port Adelaide

Luke Hunter was our leading run scorer with an impressive 273 runs

@ 30.33, with solid contributions from Nameer Rahman 232 runs @ 25.78, Cooper Lawson 211 runs @ 21.10 and Mitchell Connors 199 runs @ 24.88.

Jay Rana had an outstanding season with the ball, taking 28 wickets @ 10.93 and was well supported by Dhhruv Dwivedi 13 wickets @ 7.31 and Josh Salievic 13 wickets @ 15.15.

Eligh Gillies performed his wicketkeeping duties to an extremely high level all season and was rewarded with our Fielding Trophy.

Off the back of his 28 wickets, Jay Rana was the very deserving winner of the prestigious Seahorses Medal for 2023-24.

The coaching for the greater Under 14 squad was truly a team effort with unwavering support and commitment from Greg Campbell and Jeff Gillies. Thankyou to Nigel Percy for coordinating our training nets every week and to Bec and John Lawson for their tireless work as Team Managers.

A big thankyou to the parents and extended families for their assistance with scoring, umpiring and other training and matchday tasks. Their support for the coaches and players was outstanding and greatly appreciated. This is a testament to the culture of the cricket club which we are proud to be part of.

Finally, thank you to all of the boys who represented the Under 14 Reds this season. They were an absolute pleasure to coach, ensuring that the season was enjoyable and very rewarding for everyone involved.

U/14 WHITES

GREG CAMPBELL

The U14 Whites 2023/24 season really is a story of what Whites district cricket is all about – development and learning what is required to be ultimately successful at this level.

The overall season summary is that the U14 Whites finished in 5th position, missing out on finals by just 1 game.

But this summary doesn't really tell the whole story.

After a solid pre-season, the start to the season was a little messy, and due to several reasons after the first 3 games we lost our skipper (Mitch Connors) and our coach (Matt Connors) who were both required in the Reds. Congratulations to Mitch who had a fabulous season in the reds and richly deserved his chance in that team.

Following Mitch's elevation to the reds, Charlie Foster was promoted to captain of the Whites. And what a terrific job he did. Charlie is best described as a passionate yet humble leader. He is a team first oriented captain who led the Whites team all year with distinction. After being thrown into the role his development as a leader was exceptional.

After just missing out in round 1 against Prospect the Whites went on an impressive run of wins leading up to Christmas.

Highlights included rolling Adelaide for 70 – when our spinners took 6 wickets between them. We then beat West Torrens in a highly competitive one day game when Jack Gallagher scored 88, Felix took 5 wickets and Zane took an amazing outfield catch in the last over of the game to seal the victory. We then went on to score our biggest total of the season – 260 against Woodville with Charlie scoring 82 and Ollie 57.

No doubt things were a bit tougher after Christmas, however we put ourselves in the mix and the outright

victory against Southern Districts gave us immense confidence and table position to push hard at finals.

There is no doubt that we were the best bowling unit in the competition this season. Our bowling depth and mix of swing, pace and spin, our aggression and control were awesome all season.

We created 3 opportunities for outright victories against TTG, East Torrens and finally got the job done against Southern Districts. As it turned out it was all or nothing in the final game against Sturt with both teams needing to win to secure a finals berth. Sturt won the toss and elected to bat. Our bowling attack started exceptionally well and had them 3/5 after 8 overs. Sturt rallied from this position. Showing the resilience that we had worked on all year we stuck with it all game putting them under immense pressure. In the end we just couldn't get the job done with the bat, leaving us one game out of finals.

We fielded best this year when we had fun. We're an energetic, talkative and tight fielding group that genuinely had fun in the field. There were times during the season when we literally did the incredible on the field.

I have no doubt that we have the batting talent to go all the way next season. We showed this in patches throughout this season. Our greatest improvement next season will come from our batters.

So, what did the U14 Whites learn this season:

1. We simply need to bowl our best stock ball – every ball.
2. We need to stay up and about in the field, keep it fun and be hungry.
3. We need to run well between the wickets, take the easy drop and run option and most importantly bat without fear. When we do this, we are unstoppable.

Acknowledgements:

Thanks to Kym and Nicole Williams for the extraordinary amount of work they did behind the scenes for the juniors at GDCC this year.

Thanks to Kym Williams and Matt Connors for the pre-season and squad development of the U14s. To Matt Connors in particular who set the Whites culture, laid the groundwork, and stayed completely invested all season long even when called up to assist with the Reds.

Thanks to all the parents of the U14 Whites for this season. Without question the U14 Whites had the best parent group in the competition. Cricket is a volunteer heavy sport from setting up the oval, to the shades, scoring, umpiring, and warming up the kids, collecting balls hit all over the park – there's a lot to do. And whilst it was abundantly clear that other teams struggled to keep parents at the game our parents stepped up every week.

Thanks to both Michelle Johns and Chris Salter who both stepped up into the Team Managers role. From organizing the iPad, team sheets and rosters they both did an amazing job this season.

Award Winners:

Individual Trophy Winners:

1. Felix Nelson Round 3 vs West Torres 8 overs 5/32
2. Charlie Foster Round 6 vs TTG 4 overs 6/3
3. Jack Gallagher Round 10 Hat Trick vs Southers 4 overs 4/8

Fielding Award

Special Mentions to:

Harry Campbell, who after the end of the regular season was equal top of the competition for dismissals and had most stumpings.

Blake Zuromski, who was exceptional in the field all season, is an exceptional

athlete and caught well, both in the slip cordon and in front of the stumps.

The 2023/24 U14 Whites Fielding award goes to Jack Gallagher.

Bowling Award

Special Mention to: Felix Nelson 16 wickets at 12, Dylan Percy 16 wickets at 9

The 2023/24 U14 Whites Bowling Award goes to Zane Hole who finished with 23 wickets at 9.

Zane Hole also won the SACA U14 Whites competition award for most wickets in the regular season.

Batting Award

Special Mention to:

Jack Gallagher who scored 140 runs at 28

Hayden Salter who scored 188 runs at 19

The 2023/24 U14 Whites Batting

Award goes to Charlie Foster who scored 202 runs at 22

The Seahorse Medalist for 2023/24 for the U14 Whites goes to a young leg spinner who topped that competition for wickets at the end of the regular season. Congratulations to Zane Hole.

U/16 REDS

RAJ RANA

Few thank you's to start the report, without who's assistance we couldn't have had the season we did.

Neil – an absolute Club Legend, but also a Coach who not only took the burden of being the Bad Cop but also assisted me immensely in putting a squad out there that was always going to be a class above the rest, no matter who was available. I hope he carries on with this thing called coaching, I will not be surprised if he wears a CA coaching shirt one day – such are his skills. Thanks, Rowey! Darren Banyer has been immense in his role of Assistant Coach – the camaraderie that he has with the lads, the understanding of the game, the finer nuances of batting and most importantly what to say, when to say and how to say it, to have the most effect, he's got it all. He works his backside off for this club, which is a fantastic quality of his. It has absolutely been a pleasure having him around. Justin Strange is that cool father figure in the Coaching group that most lads lean to, especially when things are not going great for them. His sense of humour in tense situations has broken the ice, many a times and has not only brought smiles on lads faces, but also has translated into fantastic performances in the middle. Nicole – The amount of admin work that goes behind the scenes to keep the season running in an orderly

manner, is just mind boggling. Thanks for all your support, Nicole. Amanda Size – I never had to worry about Team sheets, scorebook, iPad and things that generally bog down most coaches, thanks for all your work, Amanda every game, despite the fact that Jude was playing First XI's for half of the games. Kym Williams – As Junior coach coordinator as well as U14 Reds Coach, this man works for this club probably in his sleep as well, the Club is very fortunate to have him assisting in all facets of Junior Cricket. Thanks, Kym, for your service to this club. Lastly, special thanks to all the parents who helped in scoring, making cordial and generally being super cool in letting us do our job, which was simply to coach the boys.

The team, firstly the captain Ethan Williams – someone who kept the team in front of everything and someone who could lead the troops on and off the field with compassion, he led this team in a manner that everyone lifted with him. Ethan is not a man of lot of words, he's a man of actions and he showed it admirably by shunning his slightly conservative batting style to taking the bowlers on, and the results are there to see. There have been times when we disagreed on match ups/fielding/bowling strategy, but one thing I always told him was that it's your team, take a decision, own it

and we as coaches will back you 100%, worst case scenario we'll make a mistake but will learn from it.

We played 13 games, GF included, and we won 12, it has to be one of the most complete performances of a Glenelg Junior Team throughout the season. Talking of performances, there have been across the board from all players on our list at various points of the season. I have selected a few from each game that allowed the team to either come back into the game, break the game open or had a knockout blow effect on the opposition.

Game 1: One-Dayer against Prospect at home, we couldn't have kick started the season any better. Put into bat, we scored 239/4 off 40 overs. Opening the batting Curtis made a fantastic 76 off 100 balls, if that wasn't good, Rahul did one better with a 115 off 110 balls, with 14 4'S and 4 6's. Rahul, Jude and Jarrah then took 2 wickets each to finish Prospect off at 113.

Game 2: One-Dayer against Adelaide away, put into bat on a difficult pitch, we scored 118/7 in 40. Rahul made a brilliant 50, and Billy 19. Jarrah, Josh, Roy, and Noah finished the job to have them all out for 72.

Game 3: One-Dayer against West Torrens at home, they batted first

– Josh's 4 for, Jarrah and Rahul's 2fers got them all out for 93. 37 not out from Rahul and quick fire 21 from Tait got us through for only 3 wickets down.

Game 4: Two-Dayer against Woodville at home, won the toss, batted first scored 258/4, with Ethan's 93(deserved a 100) and Tait's 62 and Jack's 41. Roy, Jack, and Ethan chipped in with 2 wickets each, and Blake Meakes took 3 wickets to have Woodville all out for 182. We batted again, ended up scoring 4/75 with Harry scoring a solid 23 no off 36 balls.

Game 5: One-Dayer against Port Adelaide away, won the toss, batted first, scored 156/1 on the back of Rahul's fantastic 100, then got them all out for 71 with Rahul snapping getting 4 wickets.

Game 6: One-Dayer against Tea Tree Gully at home, won the toss, batted first made 179/3 on the back of another Rahul 100 and fantastic 50 from Ethan. Roy and Rahul's 2 wickets restricted them to 157/6.

Game 7: One-Dayer against Kensington away, won the toss again and batted first, made 169/7. Jarrah's 3 wickets, Roy and Ethan's 2 wickets got them all out for 149. Very close game, they needed 23 off 30 balls with 5 wickets in hand, Roy's two wickets in 2 balls, and then Jarrah's burst got us through. BIG STRAIGHT SIX from Roy was the highlight for me.

Game 8: Two-Dayer against Northern Districts at home, won the toss, on a difficult wicket, we crawled to all out 108, largely on the back of Rahul's 29 and Logan's 19. Northerns passed our score with 6 wickets down. Highlight of our bowling effort was Archie, bowling for the first time, almost got a hat trick first over, ended up taking 3 wickets in 4 balls. Message to the team was, 'get this one bad performance out of the way, and not worry about it'.

Game 9: Two-Dayer against East Torrens at Charles Campbell College, the oval with grass as high as my ankles. Won the

toss and rightly elected to bowl, bowling them out for 102, with a nice 3 fer from Paddy. Chased the score won with 1 wicket in hand, fabulous knock of 42 by Tait on that wicket and oval, and some handy contributions from Ethan, Roy, Harry and Lobbo right at the end when game was in the balance.

Game 10: Two-Dayer against Southern Districts away, very dodgy wicket. Won the toss (Ethan wanted to bowl, I wanted to bat), we chose to bat first as we'd done all season, ended up scoring 120 all out, with handy contributions from the middle order of Roy, Jamo, Billy and Lobbo. Told Ethan before we went into bowl, I'll only stand corrected if they chased the score down, Ethan, Paddy and Rahul ensured they didn't, and we ended up getting them all out for 78.

Game 11: Two-Dayer against Sturt at home, lost the toss, they batted and scored 190 all out, could have been way more if not for Noah's 3, Roy and Rahul's 2 wickets. I had a quote that I had written before our batting innings, 'If not me then who, if not now then when'. Rahul epitomised it with a brilliant 94 (probably my favorite innings of his, the whole season) and then Noah and Billy kept their nerve to win us the game with 3 overs to spare. Highlight also was couple of sensational catches - Taity's catch at gully, diving full stretch to his right, grabbing it inches off the ground – one of the catches of the season, and second was Curtis' at slips off Rahul, taking it with his wrong hand, with the ball past him, great reflexes. This was a great way to go into the finals, with us sitting at top of the table.

Semifinal: One-Dayer due to first day being heated out, against Woodville at home. Won the toss, batting first we made 181 all out, largely due to an aggressive 70 by Ethan (highlight being 3 huge 6's) and 43 by Rahul. We got them all out for 140, with Curtis taking a well-deserved 4 wickets and Rahul 2 wickets.

Grand Final: Lucky enough to play on Glenelg Oval for the GF against Sturt, lost the toss (only for the 3rd

time all season) and fielded first. Probably one of our best bowling efforts all season, got them skittled for 97. Great contributions from Jarrah, Curtis, Noah and Rahul with the ball. Bit of a stutter overnight with us losing 3 wickets quickly, however Curtis and Ryan steadied the innings. Tait promoted himself and played a good knock in tricky circumstances to get closer to the score. Curtis got us past their score, Harry then came in and ensured there were no quick wickets and made a crafty 27.

Fielding Award – One of my favourite awards actually, because this is one area that we do most on a cricket field, and from a training perspective it's not a skill that is practised enough compared to batting and bowling. This lad thrives in the 30-yard circle, moves brilliantly sideways, has a rocket and accurate arm and has hands albeit not very large but are safe as houses. Above all, he's a fabulous lad off the field as well. Was a bit unlucky to miss the Reds GF, but showed his strength in the field for Whites with one of the best direct hit run outs you'll see, breaking the stumps and the game open. It was a pleasure to have you in my team, well done Archie Strange. He took 9 catches and 1 direct hit run out.

Player of the Finals – I always looked at this lad as an opening batter and fabulous slips fielder from the Academy days. But the amount of work he's put in his bowling has allowed him to become one of the genuine allrounders of the team. He came up to me mid-season and said he wants to bowl more and bat in the middle order, which I was quite happy to accommodate. With his 4/13 in the Semifinal against Woodville and a gutsy 30 in the Grand Final, coupled with 2 crucial wickets, Player of the Finals is Curtis Alsop. An absolute leader on and off the field. Well done, Curtis.

Batting Award - Well, there are not a lot of things this lad can't do on a cricket field. There was a point in the season where he was so much in command of his batting that he could forward defend a good length

ball 3 times, then when he got bored, he'd time the same length ball for a six. He hit 3 hundreds during the course of the season, but my favourite innings of his was 94 against Sturt in the last game before finals where we chased down 190 odd. Batting award is Ratna Rahul Reddy Evuri's.

Bowling Award –Rahul often turned up as bowler-in-chief as well, taking crucial wickets in the middle overs, breaking partnerships when we needed them the most. Stellar season, for taking 20 wickets @ an average

of 16, well done. Well done, Rahul.

Seahorse Medalist U16 Reds – As I said before, there are not a lot of things this lad can't do, makes runs for fun, and takes wickets when the team needs them. Bigger and better things are in the offing for him if he keeps working hard. Would love to follow his journey and see where it lands him. Seahorse Medalist for U16 Reds is Ratna Rahul Reddy Evuri.

All in all, almost a perfect season with improvements seen across the

board, in all facets of the game as well as personal development of the lads. They showcased the true Glenelg spirit and will go a long way in setting them up for Senior Cricket future with the club. I am truly privileged to have seen this improvement and being a small part in this development process.

U/16 WHITES

NEIL ROWE

Well done to the entire U16 playing squad, coaches, junior committee and all those involved in some way throughout the course of the season. To win both U16 premierships is a massive achievement for all involved, you should be really proud of the season. Lock away the feeling of relief or joy when the last wicket fell in the grand final, or the celebrations in the clubrooms later that afternoon so you can use that to help push through moments in years ahead when you might be finding it hard work. These are the moments why we play team sport, and these moments don't happen every day.

While the season ended with the ultimate prize that so many of the squad had been so close to reaching over the previous seasons, as a coach it was a great season to provide opportunities for so many in varying roles across the season, this approach gets the boys to change how they approach different situations and also to train various different approaches to batting and bowling to expand their skills in game situations.

The other growth element for the squad was the continuing movement within the team due to the requirement for the majority of weeks to supplement the senior

group all while having up to 8 of the squad missing for college cricket so the opportunity to have different players in the team playing different roles continually also helps the boys deal with the ever-changing nature of the game.

It was really pleasing as a squad to see how the new and fill in players to the group fitted in across the season, along with the engaging of our second year group, each of them grabbed the approach to how we want to develop the boys as positive cricketers that play with intent and look to move the game forward, these traits will really help as the move forward in there cricketing futures.

Thanks to Raj Rana, it was an enjoyable season to work with Raj in his first year coaching a team at the club, bringing fresh ideas and a different approach to me really worked well in the messaging and expectations of the group. Darren Banyer & Justin Strange again for your continued assistance to the group is always appreciated and it was one of the pleasing moments on Grand Final Sunday to see the smiles which were a deserving reward for the years of effort with this group.

Kym Williams the work you have done as Junior Coaching Coordinator

has been enormous in your time in the role. You have left the program in a really strong position and your support of the coaches has been outstanding, and I have no doubt that the U16 success was very gratifying for all the work you have done.

To the parents most of you have been on the journey with us the last couple of years, all of your assistance and help in anything needed has again been greatly appreciated, and the support for the group is just fantastic. As a coach figure for the boys, I really appreciate it, knowing that they all take it for granted. And the result was also very satisfying as a parent also.

To all the trophy winners for the season congratulations on your overall season output, and the individual moments where you individually won a game for your team. It is a special skill set to continue to develop the want to "be the person" to win the game.

Well done to the U16 white's leaders throughout the season, special mention to our captain Lachlan Price, to literally watch your confidence in decision making and game sense grow week by week was excellent. Just need to work on calling or getting the coin to land on the right side a bit more!

U/16 WHITES

NEIL ROWE

To all that played in the U16 Whites across this season you all had moments in the year to forget but not after hopefully learning from the situation and how to approach it differently next time, with plenty more moments to reflect on with what you are capable of, and to

help guide you to be realise that you can do it at this level. This is really important. Keep working hard don't think that you can't get any better as you will get left behind as the group continues to improve and get better, you all want to be part of more success

in the future, with more photos on the Premiership Wall at the club.

We will always be the last U16 Red and U16 Whites Premiership group in the SACA cricket history books.

Good luck next season,
Go Seahorses!

U/17

CRAIG DOUGLASS

We were fortunate enough to be given the opportunity of competing in the pilot season of U17 cricket in 2023/24. The Premier Junior clubs were spilt into 2 divisions to compete in 5 minor round matches with a Grand Final to be played between the 2 teams that finished highest in the 2 draws. Matches were played as 50 over one-day-games, with all 50 over rules applying and were played on Sundays, allowing us to select all Saturday players, whether they be playing junior or senior cricket for Glenelg or First 11 school cricket. This made for a strong competition which was great for the development of our players.

We started very well beating Southern by 167 runs. Batting first, new captain Kuwerdeep Singh and vice-captain Jayden Prior put on an opening stand of 125, with Jay making 59 and Kuwerdeep 91 on debut as captain. Logan Banyer 31 and Lachlan Douglass 49no finished off their work to end our innings at 6/280 after our 50 overs. Our bowlers then made short work of Southern, bowling them out for 113 in 32 overs with Rahul Evuri taking 3/23 off his 10 and Ethan Williams 3/35 off 7 overs.

We then beat Adelaide by 69 runs, which looks more comfortable

than it was. In trouble at 7/101 we eventually made 9/185 off our 50 overs due to some brilliant tail order batting from number 9 Leroy Hagon making 36 and 17no from Roy Rana at 10 and 17no from Jude Pope at 11. Leroy then ripped Adelaide's top order apart taking 5/30 from 9 overs to bowl them out for 116.

Our trip to Woodville Oval saw us put up a disappointing performance with Woodville chasing down our 102 in 24 overs. Rahul bowled very well to take 4/33 off his 10 to go with his 27 with the bat, but we didn't have enough runs to bowl at.

Round 4 was the T20 round and we were fortunate to be scheduled to play our T20 against Sturt at Karen Rolton Oval which was a great experience for the lads that got to play. We were missing 5 players from the team that played Woodville due to school cricket carnivals, so this created the opportunity for some other players to get this experience. Unfortunately, we were outclassed by Sturt in this match. Batting first we were all out for 70 in 19.1 overs which Sturt comfortably chased down.

We didn't qualify for the final, so our final match was against West Torrens at Henley Beach. After a solid bowling performance

which saw us bowl West Torrens out for 175 off 49.5 overs, we seemingly had the game at our mercy at 3/125 after 34 overs but we ended up scrambling to force a tie, making 8/175 after our 50 overs. This resulted in us playing a super over which we lost by 1 run, which was a disappointing way to end the pilot season.

Whilst we may not have performed as well as we may have expected, the U17 competition is a great initiative and the experience gained by the 18 players who were selected was invaluable for their development. This also provided a great introduction to the U18 Shield (also played in 50 over format) which many of the U17 players went on to play in successfully this season.

The batting was won by Kuwerdeep Singh with 152 runs at 30.4. The bowling was won by Rahul Evuri with 10 wickets at 9.0 and the fielding was won by ever-reliable Logan Banyer.

A huge thanks to Raj Rana and Darren Banyer for coaching the team with me, to Kym Williams for his help in getting everything set up, and to the parents for their support and help at trainings and on match days.
